

October 21, 2022

Families,

We hope students are enjoying their first few months of the 2022-2023 school year. It is an exciting time for everyone as we reconnect with familiar faces and welcome new ones into our learning spaces.

I am writing to inform you that the roof at Dutch Settlement Elementary is scheduled to be repaired. This project is expected to be completed by March 31, 2023.

Although construction may be visible, please be assured that this work will not affect learning. Any disruptive work will take place outside of regular school hours.

If you have questions or concerns about this project, please contact the HRCE Operations Services Team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna  
Director, Operations Services
