Families,

I am writing with an update to [the message I shared with you](#) in September, regarding the driveway at Harold T. Barrett Junior High.

The HRCE Operations Services team has finalized the plan to redesign the driveway entrance. The work has been awarded to a paving contractor with the anticipated completion timeline of mid-November. Please be assured that this work will be scheduled to minimize the impact on learning.

We thank the community for their patience while this important work is finalized.

If you have any questions, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,
