

July 19, 2022

Families,

I am writing to provide you with an update on the additional portable classroom required at Portland Estates. This spring, we shared [a message](#) outlining the plan to add a portable to support enrolment growth in the school community.

The portable arrived on site a few weeks ago. Our Operations Team is working to refresh the space, add furniture and set up technology so it is ready to welcome students and staff in September.

The school principal, along with school staff, will determine how to best use the portable to support learning for all students. You can expect a further update before school begins on Wednesday, September 7, 2022.

Have a wonderful summer,

Kavita Khanna
Director, Operations Services
